#### CUSTOMER FEEDBACK:

"It is important to ASDA that companies used by ourselves consistently deliver our values, timescales and ways of working. Charles Evans have delivered exceptionally over the past two years and frequently run "that extra mile". I look forward to a continued working relationship."

**Richard Rothery, ASDA Store Development Manager**

"As an ASDA approved Main Contractor, it is important for Pearce to work with sub-contractors like Charles Evans that not only deliver to the highest standard, but are willing to be flexible and hard working. We have always found Charles Evans great to work with because of their experience, enthusiasm and attention to detail, and look forward to continuing to work together on future ASDA projects."
