case study

Grosvenor Casino

Rose Kiln Lane
Reading

The Client

Grosvenor Casinos is part of the Rank Group operate casinos across the UK. The £6.4m Grosvenor G Casino opened on 11th March 2013 in Reading – and is billed as "a full entertainment venue" with sparkling dining areas, a Gold VIP room, a bingo hall, sports lounge, show bar and poker room.

The Project

Charles Evans Shopfitters were contracted by ISG Pierce to manufacture and install 100 joinery items including:

- Reception counters
- Stand-alone furniture
- Bars and back fittings
- Banquet seating
- Poker desk
- Feature walls and panelling
- Light boxes and mirror units

The site team and factory worked long hours to realise the architect's designs and achieve the tight deadlines required to meet the opening date.

Customer Feedback

"This project has successfully been delivered within an extremely tight time-frame and to incredibly high standards, with bespoke finishes throughout"

Andy Demetriou, ISG Operations Director
