

# Charles Evans Shopfitters Ltd

Established 1888

Use our experience to your benefit

case study

## Le Bistrot Pierre

Royal William Yard  
Plymouth

### The Client

Le Bistrot Pierre own an expanding group of restaurants, each with their own individual design and character. The company pride themselves on providing quality French cuisine in relaxed surroundings. Le Bistrot Pierre used the experience of Charles Evans Shopfitters to fit-out their 10<sup>th</sup> restaurant in Plymouth.

### The Project

Charles Evans Shopfitters managed the project as the Main Contractor on site. The pewter clad bar, marble topped waiter stations and much of the furniture was manufactured at the Charles Evans factory in Liverpool. The installation was completed by one of Charles Evans' site teams, in conjunction with other specialist trades selected from Charles Evans' tried and trusted supplier base.

### Customer Feedback

*"Without doubt Charles Evans are team players, which from a designers point of view is the key driver for a successful project. Dedicated site team, professional project management and skilled joiners with the attention to detail that has helped create a truly beautiful piece of work. Can't wait for the next one!!!!"*

**Tony Abberley**

Head of Interior Design Production, Keane Brands.

*"We have enjoyed working with Charles Evans in Plymouth, they have proved themselves to be good partner going forward. A good "can do" attitude with interest in value engineering and best value to me; the client"*

**Robert Beacham**

Director, Le Bistrot Pierre Restaurants
