### The Client

The Individual Restaurant Company are one of the UK's leading restaurant companies, with a collection of restaurants including Piccolino, The Restaurant Bar & Grill, Zinc Bar & Grill. The Company contracted Charles Evans Shopfitters as the main contractor to project manage the refurbishment of their Piccolino restaurant on Heddon Street in Central London.

### The Project

Charles Evans Shopfitters managed the project as the Main Contractor and produced the joinery items at the factory in Liverpool. The contract involved a complex bar with brass trim, marble bar top and overhead glass shelved bottle storage, dining tables, seating, charcuterie display and carvery, faceted mirrors and upholstered wall panelling. The installation was undertaken by one of Charles Evans' site teams with additional sub-contractors fitting the mosaic tiled floor, bar top and upholstered seating, overseen by Charles Evans' project management.

### Customer Feedback

*Charles Evans paid particular attention to the detail drawings provided by Robert Angell Design studio which ensured that there was no compromise in the execution and final manufacturing process. The quality of joinery and finish was very high and we are all very proud of what we achieved and delivering a stunning restaurant to the client exceeded all expectations.*
